NOTES/COMMENTS:

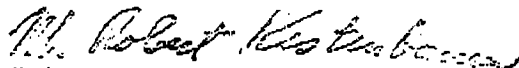

Dear Examiner Fuller:

We submitted the following Amendment by first class mail on March 31, 2004, with a first class mail certification. We have not received the acknowledgement postcard we submitted with the Amendment.

We learned that you had not received the Amendment when you telephoned today to see if a response had been submitted. Pursuant to our telephone conversation of May 13, 2004 (and following your instructions), I am faxing a copy of the Amendment (8 pages) we submitted by first class mail on March 31, 2004. This is a copy of what was submitted by first class mail, including a PTO 2038 authorizing charging a credit card for the \$420 two month extension, an additional page for the deposit account, and a copy of the acknowledgement postcard.

Thank you for considering this submission.

Sincerely,

M. Robert Kestenbaum
